Dear Change-bringer,

Welcome to Opportunity Café & Co-works! Thank You for visiting, and giving my children an OPPORTUNITY to enrich your café experience, as a magical one. Allow me to share and introduce you to the Project.

Magic at the Café—Opportunity Cafe & Co-works is a livelihood project of Rescue and Relief Foundation. It is India's 1st non-profit café run by special orphans as well as abandoned or abused transitioning adults.

This café not only serves as an employment opportunity for these orphans but also as a mini rehabilitation home, providing accommodation on the topmost floor of the building.

Why?

- They are orphans
- No place to stay after 18 (as children's shelter homes are forbidden to let above-18 adults to stay in)
- Not prepared for the mainstream society
- Not ready to be completely independent or to be left untended, abruptly.

We are glad and privileged to welcome you here, as you are helping us to achieve the impossible. There is only one small request, if there's a little delay in some service or order, please try to be patient, as they are still undergoing training and take time to adapt, unlike us.

For further information, regarding our projects, team members, or our other projects, kindly get in touch with our Café Manager. You can also visit us at [www.rescueandrelief.org](http://www.rescueandrelief.org)

Since we do not belong to a business background, your valuable feedback is an essential requirement. Please feel free to let us know where there's room for improvement, so that on your next visit we are able to deliver a better experience to you.

Our Team does not understand the worth of money like we do, and hence, instead of tipping them, your precious words and appreciation are their form of currency.

Finally, if you like your time here, please follow us on our social media handles mentioned below. Also remember to share your experience and rate us 5 stars in Google. This will not only help our Project but also spread the message of 'equal rights to livelihood' amongst everyone.

Thank you again, for giving an OPPORTUNITY to my children, in bringing about a constructive sustainable lasting change!

Let the spell, for having a great time, work on you!

Best wishes,

Sumanta Singharay,

Founder & Jt. Secretary
